This Stipulation is respectfully submitted by all named parties: Plaintiff J.P., by and through Channy Sok-Hang as guardian, on the one hand; and Defendants City of Stockton (also named as “Stockton Police Department”) (the “City”), Chief of Police Eric Jones, Officer Jorge Andrade, and Officer Bradley Miller, on the other hand, all through their undersigned counsel of record.

## RECITALS

- A. On May 3, 2021, Plaintiff filed this lawsuit.
  - B. On November 1, 2021, Defendants filed a motion to dismiss portions of Plaintiff's First Amended Complaint. Defendants' motion to dismiss was heard on November 29, 2021.

C. On November 30, 2021, this Court issued an order granting Defendants' motion to dismiss in part and denying it in part and granting Plaintiff through January 18, 2022, to file a Second Amended Complaint ("SAC").

D. Plaintiff filed his SAC on January 18, 2022.

E. Counsel for the parties have met and conferred on Defendants' potential motion to dismiss portions of the SAC.

F. Plaintiff's counsel has considered the points raised by Defendants' counsel and intends on filing a Third Amended Complaint ("TAC") to attempt to address those points in an effort to reduce the scope of, or possibly eliminate the need for, a motion to dismiss.

G. Therefore, the parties agree, subject to Court approval, that Plaintiff shall file his TAC by March 14, 2022, and Defendants shall have 28 days from the date of filing to move, plead, or otherwise respond to the TAC.

H. Because the parties continue to try to resolve the pleadings, the parties additionally request that the Court continue the following dates for 60 days: (i) The due date for the parties to exchange their initial disclosures, from March 7, 2022, to May 9, 2022; (ii) The due date for the joint status report, to 14 days before the continued initial status conference; and (iii) The date of the initial status conference, from March 28, 2022, to May 30, 2022. The parties request this continuance to allow for the pleadings to be set, so that the parties may discuss and focus the discovery and disclosures that will necessary based on the remaining issues in the case, prepare a more focused joint status report, and conduct a more productive status conference.

I. The Court previously continued these same dates in its order dated January 14, 2022, based on the parties' stipulation. (ECF No. 27.)

## STIPULATION

IT IS STIPULATED AND AGREED, by the parties, through their counsel of record, as follows:

1. Plaintiff be allowed to file his TAC, and shall have until March 14, 2022 to do so.
  2. Defendants' response to the TAC be due 28 days from the date the TAC is filed.
  3. The Initial Status Conference be continued to May 30, 2022, or the date soonest thereafter that is agreeable to the Court.
  4. The parties' joint status report be due 14 days before the continued Initial Status Conference.
  5. The parties will exchange initial disclosures on or before May 9, 2022.
